

# INTIMIDATOR™ 12XP

## 12" Capacity Hand-Fed Chipper

Tree care professionals, municipalities and rental companies seeking a compact-yet-powerful 12-inch capacity drum chipper turn to the Intimidator 12XP. This impressive chipper features a large 24" diameter chipping drum and at 5,500 pounds it's easily towable. Built strong using the highest quality components and assembled with solid welded construction, the Intimidator 12XP will outperform and outlast all other 12-inch capacity drum chippers on the market.

### COMPACT AND POWERFUL.

- 13" x 17" opening for **large limbs and small trees**
- Large 24" diameter 4 pocket **chipping drum**
- **Fuel efficient** and easy to tow

### Chip Limby Material With Limited Preparation

The Intimidator 12XP easily handles limby material with its large throat opening and Bandit's proven Slide Box Feed System. This system features powerful dual horizontal feed rollers 17" wide by 7-1/2" in diameter, powered by 15.9 CID hydraulic motors. The feed rollers are positioned within inches of the chipping knives, effectively processing even the wildest trees and branches. This reduces trimming time and labor costs while increasing production.

### Approximately 30% More Fuel Efficient

The chipper drum in the Intimidator 12XP turns at a low RPM and has more torque. The synchronized feed system never underfeeds the drum or forces material against it. The chip discharge system includes deep knife pockets, a smooth transition / discharge chute and the patented Power Slot, discharging chips while using much less energy. This also significantly reduces idle time due to the more productive chipper infeed system. These features translate to a fuel savings of approximately 30%.

### Significantly Less Maintenance

The Intimidator 12XP has a heavy, reinforced drum with internal baffles. The chipper drum and shaft should last the lifetime of the chipper and are backed by a five-year GUTS warranty. Rugged construction and heavy-duty components throughout the Intimidator 12XP help ensure long life and trouble-free performance. We realize what it costs when a chipper is down, and though we can't eliminate all downtime, we do our best to minimize it.

### Higher Quality Chips Per Load

The Intimidator 12XP throws chips with more force due to the pocket design, the larger drum diameter, smooth transition, smooth discharges and the patented Power Slot. This means more chips per load and fewer trips to the dump site. It also means chips from a Bandit chipper have better uniformity compared to rival machines, commanding higher prices when sold and making them easier to dispose of.

### Greater Knife Life

Compared to most competitors the 12XP has double the knives and double the cuts per revolution. Knives in the 12XP do not dull as quickly. Knife maintenance costs, fuel consumption and vibration are all reduced.

# Intimidator™ 12XP

12" capacity drum-style chipper

## Safety Features

- **Rope/Line Shear Device (standard)**  
Provides an improved chance that rope or lines inadvertently entering the chipper may be cut.
- **Last Chance Cables (standard)**  
Stops/reverses the feed wheel when pulled in case of an emergency
- **Operator Safety Control Bar (standard)**  
Wraps around three sides of the infeed chute and controls the direction of the feed wheels.
- **Wood Pusher Paddle (standard)**  
Used to feed small wood debris into the chipper.
- **Chipper Hood Pin w/Padlock (standard)**  
Prevents unauthorized access to the disc or drum.
- **Chipper Hood Engine Disable Plug (standard)**  
Prevents engine from being started without the hood pin in place.
- **Feed Wheel Engage (option)**  
Requires operators to control feed wheel operation via foot pedal.
- **Hydraulic Bottom Bump Bar (option)**  
Stops feed wheels via mechanical connection when bumped, diverting hydraulic power away from the feed wheels.

## The Bandit Backbone™ Support

The Bandit Backbone is Bandit's commitment to customer service and support. It's always been a cornerstone of Bandit's philosophy, and today that backbone is stronger than ever. If you own a Bandit hand-fed chipper—regardless the age, hours, or warranty status—the Bandit Backbone is here to support you.

## Popular Options

### Gas or Diesel Engine Options

Bandit offers a wide variety of gas and diesel engine options to choose from.

### Self-Propelled

Available with a track undercarriage, the Intimidator 12XP can be taken directly to the trees.

### Hydraulic Winch

This useful option enables the operator to pull large material to the chipper with ease.

## Standard & Custom Colors Available

Choose from six standard colors, or select a custom color to match your fleet.

# Intimidator™ 12XP Specifications

## ENGINES

### TOWABLE:

- GM 89-130 HP Gas
- Kohler, CAT & Perkins 74 HP T4 Final
- CAT and Perkins 122.5 HP T4 Final

### DIESEL ENGINE OPTIONS (EXPORT ONLY)

- Kubota 84.5 HP T3
- CAT 49.4 HP T4i
- Perkins 114 HP T3
- John Deere 115HP T3
- CAT or Perkins 122.5 HP T4 Final
- CAT or Perkins 97 HP T3
- Kubota 99.2 HP T3
- Perkins 114 HP T3

### TRACK:

- CAT and Perkins 122.5 HP T4 Final (EXPORT ONLY)
- CAT 114 HP T3

## UNDERCARRIAGES

### TOWABLE:

- AXLE - Single 7,000 lb. Torflex EZ-lube axle
- TIRES - (2) ST235/80R 16"

### TRACK:

- RUBBER TRACK - Cat 2 Speed 303CR Rubber Track

## MEASUREMENTS:

	TOWABLE:	TRACK:
Length: (Infeed Closed)	13' 5"	11' 10"
Length: (Infeed Open)	16'	14' 4"
Width:	6' 8"	6' 5"
Height	8' 1"	8'
Weight:	5,500 lbs	8,500 lbs
Fuel Tank:	25 gal	50 gal
Hyd. Tank:	12 gal	50 gal

## OTHER SPECIFICATIONS:

Capacity:	12"
Throat Opening:	13" x 17"
Drum: 24" diameter x 18-3/4" wide (3/8" thick)	
RPM:	1,530
Feed System:	Slide box
Adjustable Springs:	2 - 17"
Horizontal feed wheels:	17"
Displacement (CID):	15.9
Hydraulic Motors:	2
Discharge:	Std. with hand crank swivel
Deflector:	3-Position Manual
Hitch:	2 Position, 2-1/2" Pintle
Frame:	3/16" x 2" x 4" main frame with a 1/4" x 3" x 6" tongue
Tongue Jack:	8,000 pound "Bulldog" tongue jack, adjustable for height with 15" travel capacity and stationary foot pad
