# INTIMIDATOR™ 12XP

## 12” Capacity Hand-Fed Chipper

Tree care professionals, municipalities and rental companies seeking a **compact-yet-powerful** 12- inch capacity drum chipper turn to the Intimidator 12XP. This impressive chipper features a large 24” diameter chipping drum and at 5,500 pounds it’s **easily towable**. Built strong using the highest quality components and assembled with solid welded construction, the Intimidator 12XP will **outperform and outlast** all other 12-inch capacity drum chippers on the market.

## SUPER CHARGE YOUR PRODUCTION

Bandit chippers are easier to feed, so you’ll be more productive during the day. Bandit’s unique Slide Box feed system and powerful 17” wide by 7.5” in diameter dual horizontal feed rollers crush and compress material, easily guiding it to the drum.

## REDUCE YOUR FUEL COSTS

The 12XP’s drum turns at a lower RPM with greater torque, and the synchronized feed system never underfeeds or forces material against the drum. The result is a more efficiently fed chipper that reduces idle time, and translates to fuel savings up to 30 percent.

## PACK TRAILERS FULLER

Bandit is known throughout the industry for packing trailers fuller, reducing the number of trips to the dump site. Bandit chippers feature smooth discharge transitions eliminate restrictions and deep knife pockets propel chips with tremendous force.

## MAXIMIZE YOUR UPTIME

The most common maintenance items are easy to access on Bandit chippers, so daily maintenance is quick and simple. Bolt-in knives are easy to change through the chipper hood, and all service areas are conveniently located, including all grease points.

# COMMITTED TO QUALITY & SERVICE

### The Bandit Backbone™ Support

The Bandit Backbone is Bandit’s commitment to customer service and support. It’s always been a cornerstone of Bandit’s philosophy, and today that backbone is stronger than ever. If you own a Bandit hand-fed chipper –regardless the age, hours, or warranty status – the Bandit Backbone is here to support you.

### We Are Here to Support You

There are nearly 200 dealer locations in the US and 61 international dealers to support you. They are factory trained. Plus we have an experienced parts and service department supporting you and our dealers.

# INTIMIDATOR™ 12XP FEATURES

- **Rope/Line Shear Device (standard)**
  Provides an improved chance that rope or lines inadvertently entering the chipper may be cut
- **Last Chance Cables (standard)**
  Stops/reverses the feed wheel when pulled in case of an emergency
- **Operator Safety Control Bar (standard)**
  Wraps around 3 sides of the infeed chute & controls the direction of feed wheels
- **Wood Pusher Paddle (standard)**
  Used to feed small wood debris into the chipper
- **Chipper Hood Pin w/Padlock (standard)**
  Prevents unauthorized access to the disc or drum
- **Chipper Hood Engine Disable Plug (standard)**
  Prevents engine from being started without the hood pin in place
- **Hydraulic Bottom Bump Bar (option)**
  Stops feed wheels via mechanical connection when bumped, diverting hydraulic power away from the feed wheels
